

About Country Walks Walking Breaks

Our aim, is, quite simply, to make your weekend away as memorable as possible in countryside you will never forget, combining fresh air with exercise, tranquility and beauty, companionship and comfort and an insight into an area's history and culture.

Accommodation and Restaurants: We select quality hotels and restaurants for their location, comfort and award-winning cuisine. All rooms are 'en-suite', inspected by us and the relevant Tourist Board. Most of our hotels are recommended by Johansens, Alastair Sawday or 'Best Loved'

Single Guests: Around 50 per cent of our walkers come on their own to enjoy the spirit and camaraderie of our friendly groups. You can always be sure of a very warm welcome.

Routes: We research areas for the most tranquil paths, the most beautiful scenery and variety of terrain.

Commentaries: To enhance your walking experience, we highlight features of special interest, ancient and modern, natural and man-made.

Leaders: All our walking tours are personally led by us, June and Aubrey. Our small company, 'Country Walks', is our passion and we love sharing our enthusiasm with our wide range of guests.

Grades: For information on grades, please see About the Walks

Transport: All our weekends away are accessible by rail; full details are sent with booking confirmations. We arrange shared taxis for onward travel to hotels and car-sharing where possible. On some walking breaks we use shared cars where just a short journey is involved to the start of a walk; walkers without their own cars will always be accommodated.

Price includes:

Comfortable 3-star hotels, en-suite rooms with tea and coffee-making facilities

Full English breakfasts, award-winning 3-course dinners, packed lunches when no pub is available
